

Volunteer Form

The Montana Innocence Project seeks volunteers to help carry out its mission of exonerating innocent Montana inmates and preventing future wrongful convictions. Experience with the criminal justice system is helpful but not required. We greatly appreciate the involvement of people from diverse communities with a variety of skills and experience. Submitting this form indicates your interest in the Montana Innocence Project but does not commit you to volunteering. Please feel free to contact us with questions at info@mtinnocenceproject.org, or by phone at (406) 544-6698.
